

A vibrant, stylized illustration of medical supplies. In the foreground, a clipboard with a checklist is prominent, featuring several empty checkboxes and one checked box with a red checkmark. Surrounding the clipboard are various medical items: two syringes with yellow liquid, several capsules (red and blue), a blister pack of white pills, a first aid kit with a red cross, a thermometer, and a small bottle of red liquid. The background is a solid teal color, and the overall style is clean and modern.
